Classic tobacco recipes that last through time,  
with the master touch of Bombo®.

## SUPRA RESERVE

Base of the best sweet tobacco with balanced caramel and toasted nuances that make this recipe a real delicacy for the palate. Thanks to an innovative double aging technique designed specifically for this flavour, the obtained result puts this e-liquid at the next level within RY4 family.

## SUPRA ALDONZA RESERVE

This tobacco liquid fuses Aldonza Reserva, which represents the excellence we have been looking for since our beginnings as creators of e-liquids, together with the newest but already mythical Supra Reserve, one of the most awarded flavours in the history of international vaping.

# PLATINUM TOBACCOS

## ORIGINIS

Blonde tobacco with just the right amount of sweetness, with subtle reminiscences of the classic RY4 and pleasant toasted nuances that make it unique.

## POMPEII

Blend of selected tobaccos. The preferred recipe for those seeking the characteristic flavour and throat hit of authentic natural tobacco.

## CUSPIDIS

Pleasant blond tobacco with nuts on a base of tender chocolate sponge cake. A perfectly balanced fusion between the classic tobacco flavour and the creaminess and sweetness of a delicious dessert.

## CULMEN

A natural tobacco flavour, fused with a creamy praline of cocoa, hazelnuts and white chocolate. Finished with a touch of classic Irish cream.

## COOKIE SUPRA RESERVE

Base of the best sweet tobacco with balanced caramel and toasted nuances that make this recipe a real delicacy for the palate. Thanks to an innovative double aging technique designed specifically for this flavour, the obtained result puts this e-liquid at the next level within RY4 family.

## NUTTY SUPRA RESERVE

A variation of the award winning Supra, famous for its sweet tobacco mixed with balanced toasted and caramelised flavours. Now mixed in this recipe with a delicious butter of selected nuts. Thanks to the double aging technique, we achieved an amazing e-liquid unique in its own category.

The range of our particularly golden era. The Bombo liquids at our maximum lucidity and creative climax, the ultimate culmination of a successful project.

## NIRVANA

The creaminess of selected vanilla custard with soft notes, a light layer of toasted sugary crème brûlée and an aged wooden undertone.

## APHRODITA

Silky fruit explosion with a predominant flavour of strawberry wrapped in candy floss, subtly drizzled with gooseberry syrup and a bouquet of secret heavenly aromas.

## VULCANIA

Bright leaf tobacco harmonized with vanilla, caramel and corn cookies, meticulously seasoned with secret ingredients.

## VORONA

Hazelnut, cocoa and white chocolate praline with a subtle touch of coffee, together with a Irish cream, rounds off this exquisite recipe. An e-liquid of select flavours, masterfully blended to find the perfect balance

## PANDORA

Extra soft blond tobacco base flavoured with Madagascar vanilla cream, a fusion of sugar caramelised with butter and garnished with powder shavings. The 5th e-liquid of the prized Golden Era by Bombo range

## ATENEA

Silky fruity explosion dominated by wild berries wrapped in cotton candy, with subtle notes of grape, red apple, natural mint and secret heavenly aromas. The glorious final that closes the Golden Era range.

**Delightful Desserts**  
from BOMBO pastry experts.

## MASTER CUSTARD

The taste of a homemade custard with a smooth layer of biscuit. A classic, now ready for the most demanding.

## CHOCO NUT TART

A creamy chocolate cake, filled with a delicious hazelnut praline. A delicious e-liquid like no other.

## CLIMAX CREAM RESERVE

Crème brûlée crepe with chocolate bits, nuts and caramel nuances. Using our double aging technique, this e-liquid is destined to be the "flagship" of vape desserts.
